FR/084-87 LOGGED

APR 1987

MEMORANDUM FOR: Director, Office of Information Technology

ATTENTION:

[redacted]
Chief, Domestic Field Group

25X1

FROM:

[redacted]
Deputy Chief, Foreign Resources Division

25X1

SUBJECT:

KY-71 Secure Phone System for Branches, [redacted]
[redacted]

25X1

25X1

1. Our [redacted] k SE and TW Branches have additional requirements for KY-71's for each of their respective offices. We understand that this item is no longer readily available and that it is a difficult item to obtain. Request that if two are turned in from other components or if any that have been cannibalized and repaired from stock become available, that they be re-issued to the two branches mentioned above with six instruments for each unit.

25X1

2. Any questions regarding funding should be directed to [redacted]

[redacted] Any questions regarding this memo should be directed to [redacted]
